TAE SOO DO® SUBMISSION GRAPPLING FORMAT	
Duration:	3 Minutes, non-stop for all bracket matches 5 Minutes, non-stop for championship match only
General Requirements:	<ul style="list-style-type: none"> • Goal is to submit the opponent within time allowed. Gain the submission, you win! • Points for positional control and takedowns will be tallied in case there is not a submission. Positional control points are same as “Position Format” as listed above. Take-down points are detailed below. • If the score of the match is tied at end of regulation time, 1 minute of additional time will be added as overtime. If score is still tied, consecutive 1 minute overtime rounds will commence as needed until winner determined by points. There is no time break between overtime rounds. • Matches begin in standing position. • If more than 50% of both participants move past the out-of-bounds ring border, the referee will break the match and restart participants in the same position and situation as the of the out-of-bounds occurrence.
Judging:	<p>The judging is done by one center referee who calls out the points as they occur during the match and only the center referee can start or stop a match.</p> <ul style="list-style-type: none"> • One score keeper • One time keeper
Takedown Points:	<p>In order to receive points for any takedown or throw, participant must end up on top position on the ground with dominant control in order to receive points. ~Note (This does NOT mean a full position worthy of points for 3 seconds rule, simply landing in top dominate positional control is enough to obtain takedown or throw points.)</p> <ul style="list-style-type: none"> • Any takedown where the opponent stays close to the ground – 2 points: Leg pick-ups, Body or Leg Scissors, Midsection Clinch Takedowns, & Sweeps • Any Throw where the opponent leaves the ground for air time – 3 points: Hip Throws, Shoulder Throws, Suplex, & high quality Scissors (<i>where feet get scooped into the air</i>)

<p>Other Points:</p>	<p>Near Fall – 3 points ~ Note (This rule is taken from wrestling where the competitor almost pins the opponent. This rule should motivate the competitors to attempt more submissions and create a more exciting match. In order to receive Near Fall points the submission technique must be acquired securely with high quality good form, and is not just an attempt at a submission. Should be close to completion, but opponent escapes with high degree of skill.)</p> <p>Escape – 1 point ~ Note (this point is awarded based on a near fall submission escape and for escape from the standup rear clinch position. It is NOT awarded for ANY other positional escapes. Additionally, escape points are not granted for out-of-bounds occurrence.)</p>
